Shareable action-oriented ideas to help grow your business
and your leadership team.

THE PLAY OF THE WEEK

Previously, sports teams would review what's working and what's not at the intermission and then make adjustments.

Now, players and coaches are constantly reviewing the plays during the game.

GET ON THE ICE

Look back at that one goal that you picked, and look back at what you did for the last 30 days, and ask yourself these three questions.

1. What's working?
2. What's challenging?
3. What's one thing that I will do to up level my results?

QUOTE OF THE WEEK

“There is always space for improvement, no matter how long you’ve been in the business”

- Oscar De La Hoya
