and your leadership team.

## THE PLAY OF THE WEEK

One of my favorite quotes is from **Susan Scott** the author of "**Fierce Conversations**"

*"Our work, our relationships, and our lives succeed or fail one conversation at a time. While no single conversation is guaranteed to transform a company, a relationship, or a life, any single conversation can. Speak and listen as if this is the most important conversation you will ever have with this person. It could be. Participate as if it matters. It does."*

## GET ON THE ICE

What is the one conversation you have been avoiding?

What is it costing you to continue to avoid this conversation?

Schedule it now.

## QUOTE OF THE WEEK

*"Want a healthier, happier and more meaningful life? Commit to having more real and honest conversations with others."*
