## THE PLAY OF THE WEEK

The answers we get are only as good as the questions we ask.

Want better answers?

Ask better questions.

## GET ON THE ICE

One of my favorite books on Leadership is: *“Reboot – Leadership And The Art of Growing Up”* by: **Jerry Colonna**.

Here is one of the many fantastic questions from the book:

***“How are you complicit in creating the conditions of your life that you say you don’t want?”***

I highly encourage you to really think about this one, and write down our honest answer.

## QUOTE OF THE WEEK

*“Radical self-inquiry is how we learn to become more of ourselves, more like ourselves, more authentic. More human. And better humans are better leaders.”*

— **Jerry Colonna**, author of *“Reboot”*
