THE PLAY OF THE WEEK

I have always believed that the answers we get in life are only as good as the questions we ask.

If you want better results, ask better questions

GET ON THE ICE

Two fantastic questions to ask a new hire, or anyone on your team are:

- What do you need to be successful?
- What do you need from me to be successful?

Those 2 simple questions lead to better decisions and results.

QUOTE OF THE WEEK

“One of the fastest ways to find the solution to an issue or challenge you are facing is to ask the right questions.”
