THE PLAY OF THE WEEK

As much as I don't want to admit it, summer is winding down, and it's almost time for the students in our lives to go back to school.

This also gives all of us an opportunity to *'go back to school'* and learn something new.

GET ON THE ICE

One of my favorite ways of learning is by learning from others and immediately taking action.

The questions I have for you are:

1. What is one skill you want to improve right away?
2. Who do you know that is great at that skill?
3. Ask them how they got so good at it and what advice they have for you.

Then, take immediate action on their advice.

QUOTE OF THE WEEK

"If you want to be successful, find someone who has achieved the results you want and copy what they do and you'll achieve the same results."
